Washington DC 20426

Dear Secretary Bose,

In accordance with the provisions of the Interstate Commerce Act and the rules and regulations of the Federal Energy Regulatory Commission ("FERC"), Kinder Morgan Utopia LLC ("Utopia") respectfully requests permission to withdraw the following tariff:

- FERC Tariff No. 3.4.0, International Joint Volume Incentive Rate Tariff, which was filed under Docket No. IS22-874.

On May 31, 2022, Utopia filed an update to its International Joint Volume Incentive Rate Tariff No. 3.3.0 to adjust the rates in accordance with the applicable ceiling levels. Following this submittal, Utopia was alerted by FERC Staff to an error that was discovered in the metadata of the tariff filing which resulted in the reflection of an incorrect tariff effective date. Accordingly, Utopia requests permission to withdraw FERC Tariff No. 3.4.0.

In a separate filing, Utopia will submit an updated eTariff .XML filing package with corrected metadata information under FERC Tariff No. 3.4.1, with no changes to the rates included in the May 31 filing.

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Utopia's subscriber list.

In accordance with 18 CFR § 343.3(a), Utopia hereby requests that any and all questions, protests, complaints, suspensions, motions, or orders, which in any way affect this publication, be emailed to the undersigned at [tina\\_hardy@kindermorgan.com](mailto:tina_hardy@kindermorgan.com).

If you have any questions regarding this filing, please contact me at (205) 325-3668.

Sincerely,

*/s/ Tina S. Hardy*
