Oil Pipeline Filing

Kinder Morgan Utopia LLC

August 11, 2023

Ms. Kimberly D. Bose, Secretary
Federal Energy Regulatory Commission
888 First Street NE
Washington DC 20426

Dear Secretary Bose,

In accordance with the provisions of the Interstate Commerce Act and the rules and regulations of the Federal Energy Regulatory Commission (“FERC”), Kinder Morgan Utopia LLC (“Utopia”) submits for filing the following tariff, to be effective September 1, 2023:

- FERC Tariff No. 7.2.0, International Joint Volume Incentive Rate Tariff applying on the purity ethane, (cancels FERC Tariff No. 7.1.0).

Utopia’s International Joint Volume Incentive Rate Tariff has been adjusted to reduce the minimum number of barrels that must be shipped each day for a shipper to be eligible for the Joint Volume Incentive Rate. Utopia proposes this reduction to accommodate requests from the shippers and to meet current market conditions. There will be no impact to the Incentive Rate, therefore the sum of the local rates in FERC Tariff No. 2.5.0 and Kinder Morgan Utopia Ltd. CER No. 11, will remain greater than or equal to the international joint volume incentive rates.

Pursuant to 18 CFR 341.14 (Special Permission), Utopia requests that it be granted a waiver under Section 6(3) of the Interstate Commerce Act to file this tariff on less than thirty (30) days’ notice to give shippers access to the Incentive Rate with a lower minimum threshold number of barrels required for shippers to move to qualify for the Incentive Rate program.

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Utopia’s subscriber list.

In accordance with 18 CFR § 343.3(a), Utopia hereby requests that any protest of the attached tariffs be emailed to the undersigned at tina_hardy@kindermorgan.com.

If you have any questions regarding this filing, please contact me at (205) 325-3668.

Sincerely,

Tina S. Hardy
Director - Regulatory
