Attention: Mr. Jean-Denis Charlebois, Secretary of the Commission

Dear Mr. Charlebois:

**Re: Kinder Morgan Utopia Ltd.
Tariff Filing – CER Tariff Nos. 12 and 13**

In accordance with sections 227 and 229 of the Canadian Energy Regulator Act, Kinder Morgan Utopia Ltd. submits for filing to the Canada Energy Regulator (“CER”) clean and blackline copies of CER Tariff No. 12 and a clean version of CER Tariff No. 13, to be effective on November 1, 2021.

CER Tariff No. 12 is a rules and regulations tariff (the “Utopia Rules Tariff”). The Utopia Rules Tariff contains a revision to *Rule 6 – Tenders and Quantities* to allow for the delivery at the Delivery Point of less than the 5,000 Barrel per day minimum batch size when the Carrier specifies in a rate tariff a lower minimum quantity of Barrels per day to be delivered at the Delivery Point. No other changes have been made to the Utopia Rules Tariff other than to update references to other tariffs where applicable, to update references of the “NEB” to “CER”, and to correct a Rule reference in the definition of “Financial Assurances”.

CER Tariff No. 13 is a new international joint volume incentive rate tariff, filed on behalf of Kinder Morgan Utopia Ltd. and Kinder Morgan Utopia LLC, for service from Harrison County, Ohio to Windsor, Ontario. This new joint volume incentive rate tariff allows shippers to move on a month to month basis an average minimum of 1,000 Barrels per day up to an average of 10,000 Barrels per day for a joint incentive rate. This joint incentive rate is at or below the sum of the local rates shown in Utopia Federal Energy Regulatory Commission (“FERC”) Tariff No. 2.4.0 and Kinder Morgan Utopia Ltd. CER Tariff No. 11. CER Tariff No. 13 also contains specific rules and regulations that apply in addition to the rules and regulations in CER No. 12, which are located in Rule 45 of CER Tariff No. 13. CER Tariff No. 13 will be submitted concurrently to the FERC as FERC Tariff No. 6.0.0.

Kinder Morgan Utopia Ltd. is unaware of any shipper intent to protest either of these tariff filings.
