

Rockies Express Pipeline LLC
Planned Interconnect Capacities at the Cheyenne Hub
(January 5, 2007)

In Docket Nos. CP04-413-000, et al., Rockies Express Pipeline LLC, formerly known as Entrega Gas Pipeline LLC, was granted authorization to construct and operate, among other facilities, four pipeline interconnecting delivery meter stations at the Cheyenne Hub located in Weld County, Colorado.

It is currently planned that said interconnecting meter stations upon construction of Segment 2 of the REX-Entrega Project will have approximately the maximum delivery capacities and point identification numbers (“PIN numbers”) as reflected below.

<u>Interconnecting Party</u>	<u>Capacity (Mcf/d)</u>	<u>PIN</u>
Colorado Interstate Gas Company	600,000	42525
Trailblazer	860,000	42717
Cheyenne Plains	730,000	42718
PSCo	200,000	42716
