**Re: Kinder Morgan Pipeline Products Specification Manual
Revision 63**

Dear Customer:

Please note the following changes to the Pipeline Products Specification Manual since its previous edition of August 18, 2010:

- Section 1.1, Product codes, deleted Group "W"
- Section 4.3, Community Oxygenate Blending Guidelines, has been updated providing specific dates for recipe conversions at Imperial, Las Vegas, and Phoenix terminals.
- Section 6.2, Gasoline Specifications, amended conventional gasoline codes to reflect minimum T-50 blend of 150 deg F when blended with ethanol

For your convenience, the Product Specification Manual is published in PDF format to facilitate downloading and printing.

If you have questions regarding this manual or any other fuel specification issue, feel free to call me at (714) 560-4662. Written correspondence may be directed to my e-mail address kinzigr@kindermorgan.com.

Sincerely,

A handwritten signature in blue ink that reads "Russell G. Kinzig".

Russell G. Kinzig
Manager, Quality Control
