After receipt of notice, CPL and Customer shall promptly meet to resolve the dispute within thirty (30) days of receipt of notice. Further, in consideration of any capital invested by CPL, if for any reason termination of this Agreement shall occur prior to the date established in the Term of Agreement provision hereof, CPL shall be reimbursed for the unamortized portion of such capital. The remedies of CPL herein provided for shall not be exclusive, but shall be cumulative and shall be in addition to all other remedies available to CPL, at law or in equity. Customer shall pay any costs and expenses incurred by CPL in enforcing the terms of this Agreement including the expense of defense, collection, settlement and attorneys' fees. The waiver by CPL of any right of CPL hereunder, at any time, shall not serve to waive any other such right nor shall such waiver operate as a waiver of the right so waived at any future date in connection with another default or a subsequent recurrence of the same default by Customer hereunder.

7. ASSIGNMENT

This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of each of the parties hereto; provided, however, that Customer shall not transfer or assign this Agreement, in whole or in part, without the prior written consent of CPL, and any attempted transfer or assignment without such consent shall be null and void and, at the option of CPL, shall constitute a default by Customer hereunder. The consent of CPL to such assignment or transfer shall not operate to release Customer of its obligations under this Agreement. Further, in the event Customer, in the opinion of CPL, sells all or substantially

all of its assets to another party, CPL shall have the right, at its sole option, to terminate this Agreement. Calnev may assign this agreement to any corporation wholly owned by Calnev or by its parent corporation without Customer's consent provided Calnev gives Customer written notice of the assignment.

9. CHANGE OF OWNERSHIP

Customer shall advise CPL in writing of any change in Commodity ownership while in the Terminal. If any of Customer's Commodity is sold, exchanged, or otherwise changes ownership while in the Terminal, Customer shall nonetheless be responsible for all charges, taxes, terms and conditions of this Agreement the same as if Commodity had been owned by Customer.

10. ADDITIONAL PROVISIONS

Additional provisions, if any, appearing hereafter or as an addendum hereto, are made a part hereof by reference thereto.
