Oil Pipeline Filing
July 21, 2020

Ms. Kimberly D. Bose, Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, DC 20426

Dear Ms. Bose:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Hiland Crude, LLC ("Hiland") submits for filing on short notice the following tariff, effective August 1, 2020:

- FERC Tariff No. 14.2.0, Market Center Gathering System Joint Tariff with Double H Pipeline, LLC, applying on interstate transportation of crude petroleum (cancels FERC Tariff No. 14.1.0).

Based on discussions with shippers' to provide more flexibility due to the current uncertainty surrounding crude oil demand and capacity availability out the Bakken development area, Hiland establishes FERC Tariff No. 14.2.0 to provide a new Temporary Volume Incentive Rate ("TVIR") for the joint tariff between Hiland's Market Center Gathering System and its Double H Pipeline for delivery to Guernsey, WY. Any existing or new shipper that transports at least 15,000 BPD in the month of August 2020 and/or September 2020 will be eligible for the TVIR, which is a discounted rate. Participants in the TVIR will be subject to prorationing like any other shippers.

Hiland requests special permission to submit FERC No. 14.2.0 on ten days' notice under authority of 18 CFR 341.14 and 341.2, in order to have the discounted rates to go into effect on August 1, 2020. Hiland submits that good cause exists for granting this request because permitting FERC No. 14.2.0 to become effective on less than thirty days' notice will benefit its shippers because it will permit Hiland to begin offering a temporary volume incentive discounted rate to interested shippers as soon as possible at a time of uncertainty surrounding demand and capacity availability. Hiland acknowledges that this tariff publication is conditionally accepted subject to refund pending a thirty-day review period. Hiland is the owner and operator of both Market Center Gathering and Double H Pipeline, and concurs with this joint tariff filing. The contact for Double H Pipeline, LLC is Dwaine Shroyer. Mr. Shroyer can be reached at (918) 558- 5074 or at 8811 South Yale, Suite 200, Tulsa, Oklahoma 74137. As a joint rate that is reflective of a discount off of the existing joint rate, the discounted joint rate is less than the sum of the underlying local rates.

In accordance with 18 C.F.R. § 343.3(a), Hiland hereby requests that any protest of the attached tariff be emailed to the undersigned at Tariff_Group@kindermorgan.com.

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Hiland's subscriber list.

If you have any questions regarding this filing, please contact the undersigned at 713-420-4687.

Sincerely,
