

2027 BENEFITS ENROLLMENT GUIDE

Make your benefits count

Medical & Prescription | Dental | Vision

Wellness | Life Insurance | HSA | FSAs

Voluntary Benefits | Retirement | Contacts

THIS IS YOUR TIME TO FOCUS ON YOUR BENEFITS

Your benefits are designed to support your wellbeing throughout the year. From healthcare and financial protection to programs and resources that help make everyday life a little easier for you and your family. Open Enrollment is your opportunity to review your coverage for the upcoming year. Some benefits will continue, while others require you to take action. Please review this guide carefully to help you make an informed decision.

If you are a current employee

You must take action during Open Enrollment if you want to enroll in new benefits or cancel/change any existing benefits for 2027.

Open Enrollment Dates: October 5 – 23, 2026

If you do not take action, your current benefits will carry over into 2027 except for the Health Savings Account (HSA), and any Flexible Spending Accounts (FSA), which will default to \$0.

You will not be able to make changes to your benefits during the year unless you experience a qualified life event like a marriage, divorce, or having a new child.

If you are a new hire

You must take action to enroll in benefits within 30 days of your date of hire.

If you do not enroll within that time frame, you will receive the following default coverage:

- 2x annual base pay for Basic Life and AD&D coverage
- 401(k) and Personal Retirement Account (see [pages 22-24](#) for more information)
- Short-term and Long-term Disability
- No Medical, Dental, and Vision coverage
- No other coverage, such as Optional Life Insurance, HSA, or FSAs

Note: Kinder Morgan is the Plan sponsor and reserves the right to terminate or amend the Plan provisions described at any time.

Enroll in Four Simple Steps

STEP

1

Access Kinder Morgan's Benefits Online Portal powered by Benefitfocus® by doing one of the following:

- Visiting KMonline > Benefits Online if you are at work
- Logging into **kindermorgan.hrintouch.com** from anywhere
- Downloading the Benefitplace mobile app by scanning the QR code

STEP

2

Click the Get Started button to begin the enrollment process.

STEP

3

Check your profile under the Profile tab to make sure your **About You** and **Communication Preferences** are accurate. Next, follow the prompts to complete and save your 2027 elections. If you enroll a new dependent, make sure you upload the eligibility documentation by the deadline. See **page 4** for details.

STEP

4

Review and save/print your 2027 **Employee Summary Report**. Carefully review your benefit elections, covered dependents, and costs.

Scan the QR code and log in to the Benefitplace mobile app to enroll or learn more about your benefits.

Need Help Choosing the Right Benefits?

The Decision Support tool can help you compare medical plan options based on your expected health care needs and costs. It provides recommendations so you can choose the coverage that best fits your situation. Access the Decision Support tool through the enrollment portal or the Benefitplace mobile app when you enroll.

2027 Open Enrollment

- All benefit changes take effect January 1, 2027.
- If you enroll in the HDHP Buy-Up plan and do not enroll in the HSA, your contributions will be set at \$0 for the year, and you will not receive the annual company contribution.
- If you do not enroll in an FSA, you will not have one for 2027. FSA contribution amounts do not roll over from year to year.

Eligibility

Kinder Morgan offers valuable healthcare benefits that cover eligible dependents. You will need the following when you add a dependent for coverage:

- 1. Social Security number and date of birth.**
- 2. Proof of eligibility.** If you are adding a dependent who is currently not covered for medical, dental, vision, or spouse life coverage with Kinder Morgan, scan and upload proof of eligibility documents (in PDF format) onto the Benefits Online Portal by October 23 or 30 days after your hire date. Your new dependent will NOT BE COVERED if their documentation is not received by this deadline.

As part of our ongoing commitment to benefits compliance, we periodically conduct dependent audit verifications. It's important to provide the correct documentation when you initially add a dependent. We encourage you to review your current dependent elections and remove any ineligible dependents during Open Enrollment.

Who You Can Cover and Documentation Required

Spouse	Marriage Certificate AND the front page of the prior year's tax return showing your marital status and both you and your spouse's names OR driver's license for both you and your spouse with the same address on the licenses. If married less than 12 months, only a Marriage Certificate is required.
Domestic partner	The completed Affidavit of Domestic Partnership form AND the required documentation listed on the form. You can find the Affidavit of Domestic Partnership form on the Benefits Online Portal under Forms.*
Children	Specifically: • Biological, adopted, or foster children • Stepchildren • Children of a domestic partner • Children covered by a Qualified Medical Child Support Order • Children whom you have been granted permanent legal guardianship A Birth Certificate for each child showing names of parents. Legal and other pertinent documentation may also be required. Important: Qualified children are covered up to age 26. Coverage may be extended if the child is disabled, dependent on you for care and support, and lives in your home and is currently covered under a KM Medical Plan. Proof of disability and support will be required. You must advise the Benefits Department within 30 days from the date the child turns age 26 for consideration of extended coverage.

**There may be legal and tax implications (after-tax and imputed income as per IRS rules) by covering a Domestic Partner that may affect and reduce pay; therefore, Kinder Morgan advises employees to consult with a legal/tax advisor regarding these implications.*

Medical Plan Overview

Employees can choose from multiple BlueCross BlueShield of Texas (BCBSTX) plan options. Some employees, depending on where they live, also have an additional option available to them.

Available to All			Available in Houston Area	Available Outside Houston Area	Available in California
HDHP Base	HDHP Buy-Up	PPO	Blue HMO	EPO	Kaiser

An Out-Of-Area Plan is available to employees who live in remote areas and replaces the PPO/EPO.

SIMILARITIES:

- All cover the same services.
- All cover preventive care, including immunizations, at 100% with a network provider.
- All come with prescription drug coverage.
- BCBSTX members can contact Health Advocacy Solutions (HAS) through BCBSTX to find a Blue Distinction Center (BDC) for procedures, locate high-quality providers, and explore ways to save on medical tests. HAS also provides additional support for cancer, high-risk pregnancy, diabetes, and high blood pressure.
- Telehealth services are included in all medical plans. BCBSTX members can also access virtual care through MDLive at mdlive.com, while Kaiser members can use kaiserpermanente.org or the Kaiser Permanente app.

DIFFERENCES:

- Premiums for coverage vary among the plans.
- Deductibles and out-of-pocket maximums are different among the plans.
- Three plans offer out-of-network coverage (HDHP Base, HDHP Buy-Up, and PPO), and others do not.
- The HDHP options come with the ability to contribute to a Limited Purpose FSA and an HSA, and only the HDHP Buy-Up comes with an employer contribution to your HSA.
- With the PPO, Blue HMO, EPO, or Kaiser plans, you can enroll in a Healthcare FSA but not a Limited Purpose FSA or HSA.
- Kaiser and Blue HMO plans require you to designate a primary care physician.

For a side-by-side medical plan comparison, refer to **pages 12-13**.

Learn how you can supplement your medical coverage with **Accident, Critical Illness, or Hospital Indemnity Insurance** on **page 16**.

High Deductible Health Plans (HDHP)

A High Deductible Health Plan (HDHP) is a medical plan with lower monthly premiums and a higher deductible (the amount you pay out of pocket for most care before the plan starts sharing costs) — and the option to contribute to a Health Savings Account (HSA). Here are a few things to keep in mind if you are considering one of the HDHPs. You cannot contribute to an HSA if you are enrolled in Medicare or Tricare. For more details on the HSA, see [page 21](#).

- You pay less from every paycheck — money you can redirect into your HSA. In exchange, you cover more of the cost yourself if you actually need care.
- Annual physicals, screenings, and immunizations are covered at 100% with a network provider — you don't pay toward your deductible for preventive care.
- You pay the full cost of most other services (doctor visits, prescriptions, lab work) until you meet your annual deductible.
- There are out-of-network benefits available to you, although you will pay a higher percentage of the cost when you go out of network.
- The family deductible and out-of-pocket maximum amounts can be met by a combination of one or more family members.
- You can open an HSA, which is a personal, tax-advantaged savings account for medical expenses, administered by Optum.

How Cost Sharing Works

STEP 1

YOU PAY

Before the deductible, you pay 100% of healthcare expenses, including prescriptions, until you meet your annual deductible. The family deductible can be met by a combination of one or more family members.*

COST SHARING

YOU PAY

After the deductible, Kinder Morgan pays 80% and you pay 20% of eligible in-network expenses.

STEP 3

KINDER MORGAN PAYS

Reach the out-of-pocket maximum, Kinder Morgan pays 100% of eligible expenses for the rest of the year.

**There are some exceptions for preventive care.*

THE BOTTOM LINE:

The HDHP + HSA rewards you for staying healthy while protecting you if you do need to receive care. Lower premiums put more money “back in your paycheck” to contribute to the HSA, helping you plan for future medical expenses on a tax-advantaged basis. And, any money you don't use during the year stays in your account to grow for the future.

PPO and Other Medical Plans

Kinder Morgan offers several other types of medical plans, giving you the opportunity to choose the plan that is right for you. Not all the plans may be available to you. When you enroll, you will only see plans that you are eligible to select.

PPO PLAN Available to all Kinder Morgan employees	• If you go to a primary care doctor or specialist for a visit, you will pay a copay. • If you need other healthcare services, you must meet your deductible before Kinder Morgan starts sharing in the cost of your healthcare at the time of service. After your deductible, Kinder Morgan will pay 80% of eligible medical expenses. • There are out-of-network benefits available to you, although you will pay a higher percentage of the cost when you go out of network. • The family deductible and out-of-pocket maximum amounts can be met by a combination of two or more family members.
EPO PLAN Available only to employees outside of the Houston area	• Similar to the PPO, the EPO has copays if you visit a primary care doctor or specialist. • The deductible is lower than the PPO, but the premiums are higher. • You must use an in-network doctor. There are NO out-of-network benefits. • The family deductible and out-of-pocket maximum amounts can be met by a combination of two or more family members.
OUT-OF-AREA PLAN Available only to employees in remote areas	• The details of this plan are similar to the PPO, except there is no network requirement and office visits have no copay.
KAISER PERMANENTE HMO Available only to employees in California	• The Kaiser plan requires only copays for healthcare. • There is no deductible to meet. • There is no coverage outside of the Kaiser network. • You must elect a PCP.

Kaiser Wellness Program

For Kaiser Plan members, the Kaiser Wellness Program offers a variety of health and wellness resources, including classes, coaching, and rewards for participating in health activities designed to help you achieve your health goals. Visit healthy.kaiserpermanente.org/health-wellness to learn more.

Blue HMO (Houston Area Only)

A Plan in Collaboration with Kelsey-Seybold

If you live in the Houston area and prefer copays for doctor visits and no deductible to meet for more extensive healthcare needs, the Blue HMO Plan is worth considering. Visit kelsey-seybold.com/kindermorgan for more information on the Blue HMO plan in collaboration with Kelsey-Seybold Clinic.

KEY ITEMS TO KNOW ABOUT THE PLAN AND NETWORK:

- The plan is only available in the Houston area, administered by BCBSTX, and with a specific network of providers and facilities, through the Kelsey-Seybold Health Plan. This network includes 700 doctors (e.g., primary care, specialists) in almost 40 locations around Houston.
- The list of hospitals available includes Houston Methodist, Memorial Hermann, Texas Children's Hospital, Women's Hospital of Texas, St. Luke's, and HCA Houston.¹ For non-emergency care, your primary care provider needs to provide you with a referral.
- If you have a covered dependent who lives in Texas but not Houston, they need to select a primary care doctor where they reside. If you have a covered dependent who lives outside of Texas, you may need to complete an application for the HMO service area where they live or consider another plan option.
- The plan design is similar to the EPO plan, but premiums are lower. **See page 13** for details.

There is no out-of-network coverage, so this is an important consideration. You must select a primary care doctor to access benefits and coordinate all of your care.

Scan the QR code to learn more about the Blue HMO in collaboration with Kelsey offering.

¹ In-network hospitals are subject to change and are managed through BCBSTX negotiations.

Meet Maven, 24/7 virtual health support for you and your family's future (for BCBSTX members)

Prescription Drugs

When you enroll in a Kinder Morgan medical plan (other than Kaiser), you automatically receive prescription drug coverage through CVS Caremark. However, how you use the prescription drug benefits varies among the plans.

KEY FACTS TO KNOW ABOUT RX COVERAGE

- If you are enrolled in either HDHP plan, you must meet your medical deductible BEFORE the costs shown in the table apply. The only exception to the deductible rule is with certain preventive medications.
- If you are enrolled in a plan other than the HDHP, your costs are shown in the table. You do not need to meet your annual deductible first.
- The pharmacy network includes CVS, Walgreens, Walmart, Costco, Kroger, and many other retail chains. Go to [caremark.com](https://www.caremark.com) to find one in your area.
Note: Subject to change if CVS goes into network negotiations.
- If you do not move to a 90-day supply for maintenance medications through CVS mail service or select retail locations after a second fill, or you fail to contact CVS to opt out of the Mandatory Maintenance Choice program, there will be NO COVERAGE effective with the third fill of a maintenance prescription.

WHAT YOU PAY	ALL MEDICAL PLANS
RETAIL 30-DAY SUPPLY	
Generic	\$10 copay
Brand Formulary ^{1,2}	25% coinsurance (\$40 minimum)
Brand Non-Formulary ^{1,2}	25% coinsurance (\$60 minimum)
MAIL ORDER 90-DAY SUPPLY	
Generic	\$20 copay
Brand Formulary ^{1,2}	25% coinsurance (\$80 minimum)
Brand Non-Formulary ^{1,2}	25% coinsurance (\$120 minimum)
SPECIALTY^{3,4}	
Generic	\$75 copay
Brand Formulary ¹	\$150 copay
Brand Non-Formulary ¹	\$225 copay

¹ Your cost will be higher if you receive a name brand drug when a generic is available.

² Weight loss GLP-1s are subject to a \$200 copay per 30-day supply and participation in Omada Milestones program is required for coverage.

³ Limited to 30-day supply.

⁴ You will pay 30% coinsurance for specialty medications if you choose to opt out of the PrudentRx program.

Save On Your Prescriptions

Mandatory Maintenance Choice

The Mandatory Maintenance Choice (MMC) program is a CVS Caremark program that allows you to fill your long-term maintenance medications (90-day supply) through the CVS mail service or at select retail locations.

Maintenance drugs are those medications commonly taken to treat conditions considered chronic or long-term, such as high blood pressure or high cholesterol. You can opt out of the program and fill a 30-day supply of a medication from another network pharmacy such as Walgreens, Kroger, Walmart or Rite Aid. However, you will not benefit from the savings of a 90-day supply, and you will likely pay more.

To opt out of the MMC program, you must contact Caremark at **(800) 840-0357**. This Maintenance Choice feature is subject to applicable state law, and the network is subject to change. Visit [caremark.com](https://www.caremark.com) for pharmacy locations where a 90-day supply can be filled.

Rx Savings Solutions (RxSS)

Kinder Morgan helps you make informed decisions about the cost of your prescription medications through a partnership with Rx Savings Solutions (RxSS). This confidential service is available at no cost to you and your covered dependents enrolled in a BCBSTX medical plan. RxSS connects with CVS Caremark to help identify lower-cost options for medications that you and your family are currently taking.

HOW IT WORKS: RxSS doesn't replace or change anything about your pharmacy benefits. It's a tool that can help you and your family save money.

RxSS is connected to CVS Caremark, so your account will automatically list your recent medications and lower-cost options. Check your inbox for emails from RxSS. They'll contact you if they find a way that you could pay less for prescriptions.

Switching to a more affordable option is easy. RxSS will work with your doctor to get their approval on prescription changes that can save you money.

GET STARTED: Activate your RxSS account by visiting myrxss.com to check for prescription savings and get access to this personalized support. Even if you aren't currently taking medications, setting up your RxSS account today can help you be prepared for any prescription needs in the future.

WHEN TO CHECK RxSS:

1. Before your next refill
2. With your doctor at your next appointment
3. Before paying at the pharmacy

LEARN MORE: Visit rxss.com/members or log into the Benefits Online Portal directly at kindermorgan.hrintouch.com from any computer or device and visit the Medical and Rx section under the Health & Welfare tab.

PrudentRx Program

If you take a prescription that is an eligible specialty medication, the PrudentRx program can save you a lot of money. By enrolling in PrudentRx, you can fill covered specialty medications for \$0 out of your pocket!*

HDHP Buy-Up or Base plan participants must meet the deductible before the \$0 cost share can be applied. For the HDHP plans, the amount paid toward the deductible under this program may not apply to your out-of-pocket maximum. Employees enrolled in other plans do not have to meet their deductibles first. To confirm if your specialty medication is covered by the program, call **(800) 578-4403**. PrudentRx may also reach out to you if you are eligible.

The PrudentRx Program uses the Affordable Care Act standards for essential health benefits and maximum out-of-pocket limits. Non-essential health benefit costs do not apply toward your out-of-pocket maximum.

** If you are taking an eligible specialty medication and you choose to opt out of the PrudentRx program, you will pay 30% coinsurance for your specialty medication.*

Employee + Family	\$93.09	\$148.73	\$363.36	\$313.92	\$445.41	\$361.81

Due to the expected increase in healthcare costs, the average premium increase from 2026 to 2027 across the non-Kaiser medical plans is ~14.5%.

Dental Plans

Kinder Morgan offers two dental options: a dental preferred provider organization (DPPO) and a dental health maintenance organization (DHMO). Both plans are administered by Delta Dental.

Not all employees have access to the DHMO; if you are eligible, you will see it as an option when you enroll. The DHMO offers enhanced benefits in comparison to the DPPO, but the network is smaller, and **you are required to select a primary dentist**.

Search for a network dentist by going to deltadentalins.com or download the Delta Dental mobile app.

	WHAT YOU PAY	
	DPPO	DHMO ¹
Annual Deductible	\$50 individual \$150 family	Your costs depend on the services. One of the services covered by the DHMO is orthodontia for adults. Scan the QR code to learn more about the Delta Dental options.

SmileWay Wellness Benefits

If you have been diagnosed with a chronic medical condition and have a high risk of gum disease, you may benefit from SmileWay through Delta Dental. Access enhanced benefits under your DPPO plan, at no extra cost, for additional teeth and gum cleanings throughout the year. For more information and a full list of covered procedures, visit deltadentalins.com/members/smileway-wellness-benefits.

Vision Plan

Even if you don't need glasses or corrective lens, it's important to have your eyes checked regularly. Annual eye exams are free for you if you enroll in vision coverage. Kinder Morgan's vision program is administered by VSP.

Find a provider at kindermorgan.vspforme.com or download the VSP mobile app. You will not receive a VSP ID card if you enroll. Coverage can be verified with your Social Security number.

Additional Health and Financial Coverage

Kinder Morgan offers optional plans you can select to complement your medical coverage — offering you extra health and financial protection when you need it most. All three options provide a flat dollar cash payment if you experience a health challenge like an accident, cancer, or a hospital stay.

All premiums are deducted from your paycheck after taxes. Visit the Benefits Online Portal > KM Benefits & Resources > Health & Welfare > Supplemental Health to learn more about these enhanced benefits. Remember to establish your beneficiary(ies).

Accident Insurance 	• Provides a cash payment for any covered accident, such as a broken bone. Look for a full list of covered conditions at securian.com/kinder-morgan-insurance. • You can use the benefit to cover your deductible or medical expenses, or you can use it to cover household expenses, such as a mortgage, child care, or car payment. • Employees can elect a High or Low Plan. • You can cover yourself and dependents.
Critical Illness Insurance 	• Provides a cash payment due to a covered illness, such as cancer or a heart attack. Look for a full list of covered conditions at securian.com/kinder-morgan-insurance. • You can use the benefit to cover your deductible or medical expenses, or you can use it to cover household expenses, such as a mortgage, child care, or car payment. • Employees can elect coverage of \$15,000 or \$30,000. • You can cover yourself and dependents. • Rates are age-based.
Hospital Indemnity Insurance 	• Provides a cash payment and daily payments if hospitalized due to sickness or accident. • Employees can elect a High or Low Plan. • Look for a full list of covered conditions at securian.com/kinder-morgan-insurance. • You can cover yourself and dependents.

Benefit Scout is Here to Help!

Kinder Morgan provides all employees access to Benefit Scout, an AI-driven decision platform. Benefit Scout offers education and support, cost calculators, virtual chat capabilities, or on-demand benefit counselors to provide you with specific voluntary insurance benefit recommendations and cost estimates. Make your benefits easier by visiting lifebenefits.com/km.

\$50 Wellness Benefit

If you and your spouse enroll in any of the Securian voluntary benefits shown above, you and your spouse can receive a \$50 wellness benefit for getting an annual physical. Visit **Benefits Online Portal > KM Benefits & Resources > Health & Welfare > Supplemental Health** to learn more.

Life and AD&D Insurance

Providing financial security for you and your family is important to Kinder Morgan. We help you meet this need by providing Basic Life coverage and Accidental Death & Dismemberment (AD&D) coverage at no cost to you.

If you would like to increase your coverage, or cover a spouse or child(ren), you can purchase Optional Life or Voluntary AD&D coverage during Open Enrollment or as a new hire.

LIFE INSURANCE OVERVIEW

- Life insurance pays a benefit if you or a covered family member dies. Remember to establish your beneficiary(ies).
- Kinder Morgan provides you with Basic Life Insurance of 2x your annual base pay (maximum of \$1.2 million).*
- You may also purchase optional coverage for yourself or your dependents. All premiums are deducted from your paycheck after-tax.
- Employees can increase supplemental coverage by one level during Open Enrollment as long as the level doesn't exceed the guaranteed issue limits.
- Employees currently enrolled for Optional Employee or Optional Spouse coverage who elect an amount in excess of the guaranteed issue limits, or existing employees who are not currently enrolled and elect Optional Employee or Optional Spouse coverage for the first time, will be required to provide Evidence of Insurability (EOI), also known as proof of good health.

**At age 65 or older, the percentage of Basic Life Insurance is reduced based on your age band. See the Life and AD&D Summary Plan Description for more information.*

AD&D OVERVIEW

- AD&D pays a benefit if you or a covered family member dies or is injured in an accident.
- Kinder Morgan provides you with Basic AD&D coverage of 2x your annual base pay (maximum of \$1.2 million).
- You may also buy optional coverage for yourself or your dependents. All premiums are deducted from your paycheck after-tax. Family AD&D coverage is based on the composition of your family.

Optional Life Insurance Coverage	
You	Up to the lesser of 5x annual earning or \$2 million EOI is required for coverage of the lesser of 3x annual base pay or \$500,000

- Find tools to protect your mobile device and stolen devices.
- Detect active threats using Wi-Fi security scan.
- Browse safely with phishing protection through a Safety VPN.
- Identify malware and viruses on your mobile devices and apps.
- Protect your whole household and senior family members age 65+.

Business Travel Accident Plan (BTA)

BTA may pay benefits for serious injury or death if you are in an accident while on a business trip for Kinder Morgan. Insurance is provided through Securian and is covered at equal to 3x annual base pay up to \$1.2 million. This coverage is provided at no cost to employees.

Disability Coverage

Disability insurance replaces a portion of your income if you are injured or ill and unable to work for an extended period of time. This coverage is provided free for you as an employee, and you do not have to enroll in coverage.

SHORT-TERM DISABILITY (STD)

Kinder Morgan provides company-paid Short-Term Disability that replaces a portion of your base pay for up to 182 days (26 weeks), depending on your condition and supporting medical documentation.

The percentage of pay you receive depends on your years of service with Kinder Morgan. Please see the STD/LTD Summary Plan Description for more information.

Benefits begin after eight or more consecutive calendar days of disability.

LONG-TERM DISABILITY (LTD)

Kinder Morgan provides company-paid Long-Term Disability if your disability extends beyond 26 weeks.

The benefit is 60% of your base monthly earnings up to \$10,000 a month.

A disability resulting from a pre-existing condition that begins in the first 12 months after your effective date of coverage isn't covered by the LTD plan unless you had no treatment for the condition for three consecutive months after your effective date of coverage.

Long-Term Disability coverage is through New York Life.

Flexible Spending Accounts

Flexible Spending Accounts (FSAs) allow you to set aside money before taxes to pay for eligible health and dependent care expenses. Kinder Morgan's FSAs are administered by Optum.

Keep in mind that you can't change the amount that you contribute to your FSA(s) until the next plan year, unless you have a qualified life event, so you do need to set your contribution amount during Open Enrollment.

HOW THEY WORK:

PLAN	SPEND	SAVE
Estimate your out-of-pocket healthcare and/or day care expenses for the year	Use your Optum debit card to pay for your eligible expenses using pretax dollars	Get more out of your budget because your contributions to the FSA are deducted before taxes

IMPORTANT:

Plan carefully how much you contribute to your FSAs. These accounts are "use it or lose it," meaning unused money in your account does not roll over to the next calendar year (unlike an HSA).

	Healthcare FSA	Limited Purpose FSA	Dependent Care FSA
What kind of medical plan can I have?	PPO EPO Blue HMO Kaiser No KMI coverage and no HSA	HDHP Buy-Up HDHP Base No KMI coverage with HSA	Any medical plan No KMI coverage
How much can I contribute in a year?	Up to \$3,400 or IRS maximum, whichever is higher ¹	Up to \$3,400 or IRS maximum, whichever is higher ¹	Up to \$7,500 per household (\$3,750 if you are married and file separate tax returns) ²
When is the money available?	January 1	January 1	You can only reimburse yourself with money in your account
What are eligible expenses?	Medical, prescription, dental, and vision expenses	Dental, vision, and eligible medical/Rx expenses after you have met your deductible (proof required)	Dependent day care expenses like summer camp, after-school care, or daycare for your child up to age 13 or adult day care
What are the deadlines?	Incur expenses through March 15, 2028 Submit claims by March 31, 2028	Incur expenses through March 15, 2028 Submit claims by March 31, 2028	Incur expenses through March 15, 2028 Submit claims by March 31, 2028

¹ The IRS is expected to announce final 2027 contribution limits in November 2026.

² Rules set forth by the Internal Revenue Code (IRC) state that the benefits provided under the Dependent Care FSA cannot discriminate in favor of Highly Compensated Employees (HCEs) as defined by the IRC. The Plan reserves the right to prospectively reduce or refund contributions made to the Dependent Care FSA by HCEs if such action is necessary to maintain the tax-qualified status of the Dependent Care FSA. If you are affected by the results of our Non-Discrimination Testing, you will be notified by the Benefits Department prior to the reduction.

Health Savings Account

A Health Savings Account (HSA) is a personal savings account so you can set aside money on a tax-advantaged basis for future medical expenses. Your account will be administered through Optum.

HERE ARE THINGS TO KNOW ABOUT YOUR HSA:

1. You choose how much you want to save through convenient, pretax contributions, and you can change your amount anytime during the year (unlike an FSA).
2. You also receive contributions from Kinder Morgan, if you're enrolled in the HDHP Buy-Up plan.
3. You can use your HSA card to pay for medical expenses like doctor visits, prescriptions, or lab tests, helping to offset your deductible.
4. Unlike an FSA, there's no "use-it-or-lose-it" rule. Money left over in your account automatically rolls over from year to year and can grow over time.
5. The money in your account, including any Kinder Morgan contributions, is 100% yours to use throughout the year, invest for the future, or take with you if you leave the company. You can access investment options through Optum.
6. If you are enrolled in Medicare or Tricare, you cannot contribute to an HSA.
7. Your HSA is a "triple tax-advantaged" account, meaning you don't pay taxes on your contributions, any investment earnings, or withdrawals you make as long as you use the money in your account to cover qualified medical expenses.
8. After 65, it's flexible. Use your HSA tax-free for medical costs or for any other expense, paying only ordinary income tax like a traditional retirement account.

The triple tax advantage — three ways the HSA saves you money

1. **Contributions are pretax:** Money goes in before taxes are withheld, lowering your taxable income today.
2. **Growth is tax-free:** Any investment earnings grow tax-free while the money is in your account.
3. **Withdrawals are tax-free:** Money comes out tax-free when used for qualified medical expenses.

No other savings account offers all three — it's why the HSA is often called the most tax-advantaged account available.

HOW MUCH CAN YOU CONTRIBUTE?

COVERAGE TYPE	KINDER MORGAN'S ANNUAL CONTRIBUTION ¹	2027 HSA CONTRIBUTION LIMIT ²
Self-only (employee-only)	\$500	\$4,500
Family (any dependents)	\$1,000	\$9,000
Catch-up (if you're 55 or older)		Additional \$1,000 per year

¹ New hires receive a prorated contribution based on date of hire.

² Limits include Kinder Morgan's contribution. Example: under age 55 with employee-only coverage in the HDHP Buy-Up plan, your own contributions plus the \$500 from Kinder Morgan together can't exceed \$4,500.

The HDHP Buy-Up Plan is the only option where Kinder Morgan makes an annual contribution directly into your HSA. The HDHP Base plan has no company contribution, but you can still open and contribute to an HSA on your own.

Pair your HSA with a Limited Purpose FSA (see page 20)

Because you have an HSA, you can't use a standard Healthcare FSA — but you **can** enroll in a **Limited Purpose FSA**, setting aside up to **\$3,400** (or IRS maximum) for dental and vision expenses only. It's a smart way to cover predictable dental or vision costs (braces, glasses) without dipping into your HSA balance. Remember, any unused funds in an FSA are forfeited at the end of the year according to plan rules.

Savings Plan — 401(k)

Planning for retirement should start today, regardless of your age. Kinder Morgan helps you prepare for retirement by offering a robust Savings Plan with Empower. For more information, go to empowermyretirement.com to log in or register. If you need assistance with your log in, please contact Empower at **(844) 465-4455**.

FOR NEW HIRES: You will be automatically enrolled at a pretax rate of 6% of eligible compensation 30 days after you become a participant if you do not make an election on your own. Your contribution rate will automatically increase by 1% per year until you reach a 12% contribution level, or you select a different percentage on your own. Kinder Morgan will also make a contribution of 5% of eligible compensation to your account each pay period.

Kinder Morgan automatically contributes 5% of your eligible compensation¹ each pay period into your 401(k) account.

You are 100% vested in Kinder Morgan contributions after two years of eligible service.

You can contribute up to 50% of your eligible compensation¹ to your 401(k) account each pay period (subject to IRS limitations).

You can also contribute up to 50% of your annual incentive bonus (subject to IRS limitations).

Select pretax and/or Roth after-tax for your contributions.

You are 100% vested immediately in your contributions.

Select a fund(s) available through Empower for your investments.

Go to empowermyretirement.com to see your investment options.

¹ Eligible compensation for Kinder Morgan contributions includes base pay, holiday and paid time off pay, scheduled overtime, and shift differential. Eligible compensation for your contributions is the same as eligible compensation for Kinder Morgan contributions, but includes all overtime. To review the full list of eligible compensation, please review the Savings Plan SPD on the benefits online portal under KM Benefits & Resources.

Savings Plan — Key Features

The Savings Plan offers several ways to save for the future and maximize your contributions as you start thinking about your retirement. Review the information below and go to empowermyretirement.com if you have any questions.

2026 401(K) CONTRIBUTION LIMITS (attained age as of the end of the applicable plan year)

Under age 50: \$24,500

Ages 50-59: \$32,500 (\$8,000 catch-up contribution*)

Ages 60-63: \$35,750 (\$11,250 super catch-up contribution*)

Over age 63: \$32,500 (\$8,000 catch-up contribution*)

**Employees with FICA wages from Kinder Morgan over the IRS limit in 2026 (limit was \$150,000 in 2025 and is indexed annually) may only have catch-up and super catch-up contributions made to a Roth after-tax account in 2027.*

Important reminder:

2027 IRS contribution limits are expected to be announced in November 2026. Once the limits are available, contact Empower at (844) 465-4455 or visit empowermyretirement.com for more information.

Retirement and Financial Planning Resources

The Savings Plan also offers features and benefits designed to help you save and invest for retirement, including the ability to receive guidance and advice from a variety of sources. Your options for receiving savings and investment guidance include:

- Self guided tools to help manage cash flow and track savings.
- One-on-one support that allows you to get personalized guidance, including a Retirement Readiness Review.
- Professional advice that allows you to have your investment strategy managed; fee may apply.
- Comprehensive financial planning that allows you to work with a financial advisor to build a personalized plan for short-term and long-term goals (i.e., college savings, debt management, etc.); fees may apply.

Retirement Plan — Pension

In addition to the 401(k), Kinder Morgan also provides pension benefits in the form of a Personal Retirement Account or PRA (commonly known as a cash balance plan). The company pays the total cost of this benefit; no employee contributions are allowed and no enrollment is necessary.

COMPANY CONTRIBUTIONS AND INTEREST CREDITS

Your PRA grows with contribution credits and interest credits. If you are vested when you terminate, your pension benefit is based on your PRA balance and several annuity payment options, and a lump-sum option may be available to you. You are vested in your PRA after three years of eligible service.

CONTRIBUTION CREDITS

Age + Service (as of December 31 of the prior year)	If less than 50: 4%	If 50 or greater: 5%
--	------------------------	-------------------------

Eligible compensation used to determine PRA contributions includes base pay, holiday and paid time off pay, scheduled overtime, and shift differential.

Retirement Plans A and B

KM has two retirement plans — A and B. The plan you participate in depends on your date of hire and any previous service with Kinder Morgan. Pension benefits are calculated the same under both plans.

CHECK YOUR PERSONAL RETIREMENT ACCOUNT BALANCE

The Kinder Morgan Benefits Service Center is the administrator of the Retirement Plan. Register or log in at myplansconnect.com/kindermorgan. You can review your balance at any time. You can also review your balance on your Empower account by visiting empowermyretirement.com.

FOR NEW HIRES: Follow the New User instructions and you will be able to see your balance, run estimates, and access helpful financial tools and resources. You can also call the Kinder Morgan Benefits Service Center at **(866) 301-2359** if you have questions about your PRA benefits.

***Note:** Certain employees have grandfathered Retirement Plan benefits in a different form than a PRA. All employees can view the current value of their Retirement Plan benefits on the Retirement Plan website (see above).*

Employee Stock Purchase Plan (ESSP)

The ESSP allows you to purchase Kinder Morgan stock on the open market through after-tax payroll deductions without paying brokerage commissions. Visit na.equateplus.com.

Employee Assistance Program

Life can be complicated, and sometimes we can all use a helping hand.

Through Kinder Morgan's EAP program, provided by Magellan, you have resources to help you and your household members navigate life's everyday challenges. You have access to six free sessions per issue, per year, which offer a full spectrum of behavioral health and work/life services designed to promote overall wellness.

The program is completely confidential, and trained professionals are available 24/7. You can work with a professional in person, by text message, live chat, phone, or video conference.

Benefits under the EAP include support with:

- Stress
- Grief
- Family relationships
- Anxiety
- Finances

Call Magellan at **(800) 424-6207** or connect at **member.magellanhealthcare.com** with our Company name, Kinder Morgan.

Other Mental Healthcare

Sometimes you may need medical care for mental health needs. Make sure you discuss your mental health with your physician. All Kinder Morgan medical plans offer mental health coverage.

Employees enrolled in BCBSTX medical plans can access virtual mental health care with a physician for stress, anxiety, depression, and more with MDLive at **mdlive.com/bcbstx**.

SUMMARY OF MATERIAL MODIFICATIONS (SMM)

This guide contains important new information about your benefits coverage and serves as the official Summary of Material Modifications (SMM) to your Summary Plan Description (SPD). It provides information on your benefits under the Kinder Morgan, Inc. Master Employee Welfare Benefits Plan (Plan). This new information changes the information in the SPD. Please keep this information with your other Plan references.

This SMM is only a summary of the modifications to the Employee Welfare Benefits Plan; the official Plan documents and contracts will govern in case of conflict. This is intended to be read in conjunction with the SPD. Kinder Morgan is the Plan sponsor and reserves the right to terminate or amend the Plan provisions described at any time. Your eligibility for the benefits described in this guide are determined as per the Plan, contract, employment status, pay status, and/or collective bargaining agreements.
