**Terminalizing Fees:**

A pump over fee of $0.20751834 per barrel will apply at Guernsey Station for barrels pumped into Tallgrass Pony Express Pipeline.

Exceptions to Carrier’s rules and regulations tariff:

From the net quantities determined for acceptance, a further deduction of fifteen one-hundredths (0.15%) of one percent will be made to cover evaporation and loss during transportation on Double H Pipeline and a deduction of fifteen one-hundredths (0.15%) of one percent will be made to cover evaporation and loss during transportation on Tallgrass Pony Express Pipeline.

There will be no pump over fee for transfers from the Deeprock Terminal to the Blue Knight Terminal, Rose Rock Terminal, the Enterprise Terminal, the Enbridge Terminal, and the Plains All-American Terminal. A pump over fee of $0.10 per barrel will apply at the Deeprock Terminal for barrels pumped into the Seaway Crude Pipeline Company LLC system. A pump over fee of $0.08 per barrel will apply at the Deeprock Terminal for barrels pumped into the NGL Energy Partners Terminal. All movements to the Augusta Destination or the McPherson Destination shall be subject to an additional fee (i.e., in addition to all other applicable tariff rates, fees, and charges) of $0.10 per barrel.

Note 1: Committed Shipper rates are available to each shipper that, during the open season held by Hiland Crude, LLC, signed a Throughput and Deficiency Agreement for transportation of crude oil under this tariff.

Note 2: When any portion of Carrier’s line is under proration, Committed Shippers entitled to the Committed Rates under this tariff may elect to obtain priority capacity on the prorated line segment, whereby their contract volumes on the prorated line segment will not be subject to proration (except in certain limited situations set forth in Carrier’s Rules and Regulations tariff) by paying $0.01 per barrel above the prevailing uncommitted rate. This election must be made in accordance with Carrier’s Rules and Regulations tariff.
