

Hiland Crude, LLC
a Kinder Morgan company

Oil Pipeline Filing

August 25, 2025

Ms. Debbie-Anne Reese, Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, DC 20426

Dear Secretary, Reese:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Hiland Crude, LLC ("Hiland") submits for filing the following tariffs, effective September 1, 2025:

- FERC Tariff No. 5.46.0, Proportional Tariff applying on the gathering / transportation of crude petroleum on the Market Center Gathering System (cancels FERC Tariff No. 5.45.0)

Hiland is making this filing to include a footnote to the Bethel Origin Point in FERC Tariff No. 5.46.0 referencing a newly constructed terminal and station by ITT (Independent Trading and Transportation Company) ITT's Terminal and Station will now be able to unload trucks into the Bethel origin. From the Bethel Origin the barrels received from ITT's Terminal and Station will be charged the existing effective transportation rates to the applicable existing destinations. Also, FERC Tariff No. 5.46.0 revises the discount rates for the origins of Spring Brook and Spring Brook East at the Trenton Station and Savage Railport destinations.

Hiland requests special permission to submit the tariffs listed above on less than thirty-days' notice under authority of 18 C.F.R. §341.14 and §341.2, to have the Bethel origin available to receive trucks unloading from the ITT Terminal Station effective September 1, 2025. Hiland submits that good cause exists for granting this request. Permitting the tariff to become effective on less than thirty days' notice will benefit Hiland's shippers because it will ensure that the tariffs will allow shippers the opportunity to nominate movements as soon as possible. Hiland acknowledges that this tariff publication is conditionally accepted subject to refund pending a thirty-day review period.

In accordance with 18 C.F.R. § 343.3(a), Hiland hereby requests that any protest of the attached tariff be emailed to the undersigned at Tariff_Group@kindermorgan.com.

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Hiland's subscriber list.

If you have any questions regarding this filing, please contact the undersigned at 713-420-4687.

Sincerely,

Bruce Reed
Director-Tariffs and Regulatory Affairs
