Oil Pipeline Filing
December 1, 2020

Ms. Kimberly D. Bose, Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, DC 20426

Dear Ms. Bose:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Hiland Crude, LLC ("Hiland") submits for filing on short notice the following tariff, effective January 1, 2021:

- FERC Tariff No. 14.4.0, Market Center Gathering System Joint Tariff with Double H Pipeline, LLC, applying on interstate transportation of crude petroleum (cancels FERC Tariff No. 14.4.0).

FERC Tariff No. 14.4.0 establishes a new Short-Term Volume Incentive Program ("STVIP") for the joint tariff between Hiland's Market Center Gathering System and its Double H Pipeline for delivery to Guernsey, WY. Any existing or new shipper will have an opportunity between December 1, 2020 and December 31, 2020 to execute a Short-Term Volume Incentive Program Throughput and Deficiency Agreement with a minimum volume commitment of 5,000 BPD or greater and a term of one or two years, in order for the Volume Incentive Rates, which are discounted rates, to be available to them. If the total volume delivered for such a shipper in a given month is less than or equal to the Short-Term Volume Tier in which the shipper's minimum volume commitment falls, all delivered volumes for such month will be assessed the Volume Incentive Rate for that Volume Tier and applicable term (1 or 2 years as indicated in the shipper's Short-Term Volume Incentive Program Throughput and Deficiency Agreement). If the total volume delivered for such a shipper in a given month is in excess of shipper's minimum volume commitment, excluding volumes shipped under the Long-Term Volume Incentive Program, and falls within a higher Volume Tier, all applicable delivered volumes for such month will be assessed the Short-Term Volume Incentive Rate for that Short-Term Volume Tier and applicable term (1 or 2 years as indicated in the shipper's Short-Term Volume Incentive Program Throughput and Deficiency Agreement). Participants in the STVIP will be subject to prorationing like any other uncommitted shippers.

Hiland is the owner and operator of both Market Center Gathering and Double H Pipeline, and concurs with this joint tariff filing. The contact for Double H Pipeline, LLC is Dwaine Shroyer. Mr. Shroyer can be reached at (918) 558- 5074 or at 8811 South Yale, Suite 200, Tulsa, Oklahoma 74137. As a joint rate that is reflective of a discount off of the existing joint rate, the discounted joint rate is less than the sum of the underlying local rates.

In accordance with 18 C.F.R. § 343.3(a), Hiland hereby requests that any protest of the attached tariff be emailed to the undersigned at Tariff_Group@kindermorgan.com.

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Hiland's subscriber list.
