

Oil Pipeline Filing  
June 30, 2021

Ms. Kimberly D. Bose  
Secretary  
Federal Energy Regulatory Commission  
888 First Street, N.E.  
Washington, DC 20426

Dear Ms. Bose:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission (“FERC”), Hiland Crude, LLC (“Hiland”) submits for filing the following tariff, effective August 1, 2021:

- FERC Tariff No. 13.3.0, Market Center Gathering System and Double H Joint Tariff with Tallgrass Pony Express Pipeline, LLC, applying on interstate transportation of crude petroleum (cancels FERC Tariff No. 13.2.0).
- FERC Tariff No. 14.6.0, Market Center Gathering System Joint Tariff with Double H Pipeline, LLC, applying on interstate transportation of crude petroleum (cancels FERC Tariff No. 14.5.0).

In order to provide additional flexibility to the shippers, Hiland is adding the following origins located in McKenzie County, ND: Camp Creek, South Camp Creek, and West Camp Creek (“Camp Creek Origin Points”) to FERC Tariff Nos. 13.3.0 and 14.6.0. Hiland notes that the Camp Creek Origin Points are existing origin points offered pursuant to the Market Center Gathering System Local Tariff (FERC No. 5.27.0). FERC Tariff No. 14.6.0 adds uncommitted joint rates associated with these Camp Creek Origin Point, as further discussed below. There are no changes to any of the existing rates in FERC Tariff Nos. 13.3.0 or 14.6.0. FERC No. 13.3.0 is a Joint Tariff with Tallgrass Pony Express Pipeline, LLC. Tallgrass Pony Express Pipeline, LLC concurs with this joint tariff filing, and the contact for Tallgrass Pony Express Pipeline, LLC is L. Drew Cutright. Mr. Cutright can be reached at (303) 763-3438 or at 370 Van Gordon, Lakewood, Colorado 80228.

Hiland is the owner and operator of both Market Center Gathering and Double H Pipeline, and concurs with the filing of both FERC Tariff Nos. 13.3.0 and 14.6.0 as a joint tariff. For all of the rates in both FERC Tariff Nos. 13.3.0 and 14.6.0, the joint rates are each equal to or less than the sum of the underlying local tariffs. As demonstrated in Attachments A and B (all rates in the table are in cents per barrel), the uncommitted joint rates in FERC Tariff Nos. 13.3.0 and 14.6.0 are equal to or less than the sum of the underlying individual local rates on file at the FERC for the same movement with this joint tariff filing. There are no changes to the previously filed uncommitted rates. The contact for Double H Pipeline, LLC is Chris Ebright. Mr. Ebright can be reached at (918) 588-5019 or at 8811 South Yale, Suite 200, Tulsa, Oklahoma 74137.

In accordance with 18 C.F.R. § 343.3(a), Hiland hereby requests that any protest of the attached tariff be emailed to the undersigned at [Tariff\\_Group@kindermorgan.com](mailto:Tariff_Group@kindermorgan.com).
