In compliance with 18 C.F.R. § 342.2, Hiland submits FERC Tariff No. 5.30.0 in order to establish a new gathering origin area and new destination area with new transportation rates. Also, Hiland has made changes to Note (1) to include (i) adding a new definition of the Spring Brook East origin area, which includes moving some existing sections from the existing Spring Brook area to the Spring Brook East definition and (ii) revising the definition of the existing areas of East Camp Creek, Epping, and Watford to include new sections. Hiland is also updating Note (3) to reflect the new Spring Brook East origin area.

Pursuant to 18 C.F.R. § 342.2(b) (Establishing Initial Rates) Hiland is filing this tariff with a sworn affidavit that the initial rates set forth in FERC No. 5.30.0 are agreed to by a least one non-affiliated entity that intends to use the service. There are no changes to the previous filed rates in this filing.
