a Kinder Morgan company

Oil Pipeline Filing  
March 1, 2022

Ms. Kimberly D. Bose  
Secretary  
Federal Energy Regulatory Commission  
888 First Street, N.E.  
Washington, DC 20426

Dear Ms. Bose:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Hiland Crude, LLC ("Hiland") submits for filing the following tariffs, effective April 1, 2022:

- FERC Tariff No. 10.7.0, Rules and Regulations, applying on the gathering / transportation of Badlands Gathering System crude petroleum (cancels FERC 10.6.0) and
- FERC Tariff No. 11.8.0, Proportional Tariff applying on the gathering / transportation of Badlands Gathering System crude petroleum (cancels FERC No. 11.7.0)

Hiland is making this filing on its Badlands Gathering System to remove the following sections from its Rules and Regulations Tariff: (1) Section 80(b) that covers evaporation and loss during gathering and/or transportation and (2) Section 70(d) that addresses deductions for API gravity above 45 degrees. Unlike the other pipeline systems operated by Hiland, the Badlands Gathering System operates as a no loss system and any gains or losses are accounted for at either the origin or destination areas. Consistent with the operation of a no loss system, Hiland also does not make adjustments to product having an API gravity of 45 degrees or above to cover shrinkage or evaporation. Both Section 70(d) and Section 80(b) in the Rules and Regulations tariff were inadvertently included due to an administrative oversight. Hiland confirms that the updated tariffs are consistent with the operation of its pipeline and that it has never applied Sections 70(d) or 80(b) to any of the shippers of the Badlands Gathering System. Hiland further confirms that all its rates remain unchanged by this filing.

In addition to the changes above, Hiland is removing the cross-references to Section 70(d) and Section 80(b) of the Rules and Regulations Tariff. Specifically, Hiland is (1) removing the reference to Section 70(d) in Section 25(a) of the Rules and Regulations Tariff and (2) removing the reference to Section 80(b) in the Proportional Tariff.

In accordance with 18 C.F.R. § 343.3(a), Hiland hereby requests that any protest of the attached tariff be emailed to the undersigned at [Tariff\\_Group@kindermorgan.com](mailto:Tariff_Group@kindermorgan.com).

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Hiland's subscriber list.

If you have any questions regarding this filing, please contact the undersigned at 713-420-4687.

Sincerely,
