Oil Pipeline Filing
July 27, 2023

Ms. Kimberly D. Bose
Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, DC 20426

Dear Ms. Bose:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Hiland Crude, LLC ("Hiland") submits for filing the following tariff, effective August 1, 2023:

- FERC Tariff No. 5.35.0, Proportional Tariff applying on the gathering / transportation of crude petroleum on the Market Center Gathering System (cancels FERC No. 5.34.0).

Hiland submits FERC Tariff No. 5.35.0 in order to revise the definition of the White Earth South origin area to include new Range 92W, Section 26 to the existing Township 153N location as shown on page 6 of Note (1).

Hiland requests special permission to submit the Tariff on four days' notice under authority of 18 C.F.R. §341.14 and §341.2, in order to have the updated White Earth South origin to include the new wells to go into effect on August 1, 2023. Hiland submits that good cause exists for granting this request. Permitting the Tariff to become effective on less than thirty days' notice will benefit its shippers because it will ensure that the Tariff will allow the shippers to nominate movements as soon as possible. Hiland acknowledges that this tariff publication is conditionally accepted subject to refund pending a thirty-day review period.

All rates in FERC Tariff No. 5.35.0 are unchanged from the prior tariff.

In accordance with 18 C.F.R. § 343.3(a), Hiland hereby requests that any protest of the attached tariff be emailed to the undersigned at Tariff_Group@kindermorgan.com.

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Hiland's subscriber list.

If you have any questions regarding this filing, please contact the undersigned at 713-420-4687.

Sincerely,

Bruce Reed
