

Hiland Crude, LLC  
a Kinder Morgan company

Oil Pipeline Filing  
January 31, 2024

Ms. Kimberly D. Bose  
Secretary  
Federal Energy Regulatory Commission  
888 First Street, N.E.  
Washington, DC 20426

Dear Ms. Bose:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Hiland Crude, LLC ("Hiland") submits for filing the following tariff, effective March 1, 2024:

- FERC Tariff No. 5.37.0, Proportional Tariff applying on the gathering / transportation of crude petroleum on the Market Center Gathering System (cancels FERC No. 5.36.0).

Hiland submits FERC Tariff No. 5.37.0 to decrease its Gathering Charge Discount rate for its South Camp Creek origin area due to recent contract negotiations with its shippers.

Hiland requests special permission to submit the Tariff on twenty-nine days' notice under authority of 18 C.F.R. §341.14 and §341.2, to have the revised Gathering Charge Discount Rate for the South Camp Creek origin to reflect the changes effective March 1, 2024. Hiland submits that good cause exists for granting this request. Permitting the Tariff to become effective on less than thirty days' notice will benefit Hilan's shippers because it will ensure that the Tariff will allow shippers the opportunity to nominate movements under FERC Tariff No. 37 as soon as possible. Hiland acknowledges that this tariff publication is conditionally accepted subject to refund pending a thirty-day review period.

All other rates in FERC Tariff No. 5.37.0 are unchanged from the prior tariff.

In accordance with 18 C.F.R. § 343.3(a), Hiland hereby requests that any protest of the attached tariff be emailed to the undersigned at [Tariff\\_Group@kindermorgan.com](mailto:Tariff_Group@kindermorgan.com).

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Hiland's subscriber list.

If you have any questions regarding this filing, please contact the undersigned at 713-420-4687.

Sincerely,

Bruce Reed  
Director-Tariffs and Regulatory Affairs
