Ms. Debbie-Anne Reese
Acting Secretary

Washington, DC 20426

Dear Ms. Reese:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Hiland Crude, LLC ("Hiland") submits for filing the following tariff, effective May 15, 2024:

- FERC Tariff No. 5.38.1, Proportional Tariff applying on the gathering / transportation of crude petroleum on the Market Center Gathering System amends FERC Tariff No. 5.38.0 (Docket No. IS24-246-000) and cancels FERC No. 5.37.0.

Hiland filed in Docket No. IS24-246-000 on April 12, 2024 to establish a new gathering origin area of Epping East located in Williams County, North Dakota. Hiland included in that filing new transportation rates from the Epping East area to all existing destinations in the Market Center Gathering System. It has come to Hiland's attention that an incorrect discounted rate was included in the filing for the gathering / transportation of crude petroleum from the origin of Spring Brook, Williams County, North Dakota to the destination of Independent Trading and Transportation Terminal Alexander Station, NorthStar Alexander Terminal Bridger. Hiland is amending in FERC Tariff No. 5.38.1 the discount rate to \$1.1092 versus the incorrect rate that was included in the filing of \$1.1477.

Hiland is attaching to this filing the previously included affidavit pursuant to 18 C.F.R. § 342.2(b) (Establishing Initial Rates) that established the initial rates that were set forth in FERC No. 5.38.0. The current filing reflects the previous changes along with the revision to the Spring Brook rate described above with no additional changes to the previous filed rates

In accordance with 18 C.F.R. § 343.3(a), Hiland hereby requests that any protest of the attached tariff be emailed to the undersigned at Tariff_Group@kindermorgan.com.

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Hiland's subscriber list.
