a Kinder Morgan company

Oil Pipeline Filing
August 30, 2024

Ms. Debbie-Anne Reese
Acting Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, DC 20426

Dear Acting Secretary Reese:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Hiland Crude, LLC ("Hiland") submits for filing the following tariff, effective October 1, 2024:

- FERC Tariff No. 5.41.0, Proportional Tariff applying on the gathering / transportation of crude petroleum on the Market Center Gathering System (cancels FERC No. 5.39.0).

In compliance with 18 C.F.R. § 341.3, Hiland submits FERC Tariff No. 5.41.0 establishing a new Volume Commitment Shipper Rate ("VC Shipper Rate") that if a shipper between September 1, 2024 and September 30, 2024 executes a Transportation and Services Agreement with an initial term of three years, agrees to ship, or otherwise pay for not shipping, and a minimum volume commitment equal to at least 20,000 BPD, the VC Shipper Rates, which are discounted rates, will be available to that shipper. This VC Shipper Rate is a discount from the current local rate from the specified Origins to the specified Destinations and is therefore consistent with 18 C.F.R. § 342.3(a) as the tariff provides volume incentive rates below the current ceiling levels applicable to such rates in FERC Tariff No. 5.41.0 and successive issues thereof.

Also, Hiland submits FERC Tariff No. 5.41.0 to revise the definition of the Bainville origin area to include new Section 9 to the existing Township 27N Range 57E as shown on page 7 of Note (1).

In accordance with 18 C.F.R. § 343.3(a), Hiland hereby requests that any protest of the attached tariff be emailed to the undersigned at Tariff_Group@kindermorgan.com.

I hereby certify that copies of this filing have been sent, on or before this date, by means of transmission agreed upon, to all subscribers on Hiland's subscriber list.

If you have any questions regarding this filing, please contact the undersigned at 713-420-4687.

Sincerely,

Bruce Reed
