Dear Ms. Martin

In accordance with the requirements of the Railroad Commission of Texas, Kinder Morgan Crude & Condensate LLC ("KMCC") submits for filing <sup>(1)</sup> the following tariff, to be effective August 3, 2022:

- Tariff No. 33.2, Rate Tariff (Cancels Tariff No. 33.1)

This purpose of this filing is to revise the rates in Item 355.10, Committed Shipper - Class A Rates. It has come to KMCC's attention that certain rates filed in Tariff No. 33.1 on July 6, 2022, inadvertently contained incorrect rates. These rates, pursuant to the transportation services agreement should have not been increased at July 1, 2022. KMCC is refiling to correct these rates. KMCC shall ensure that all shippers shall be charged the lower correct rates to all July and August transportation movements. All other rates are unchanged from the prior tariff filing.

A copy of this filing has been sent to all subscribers on KMCC's subscriber list.

KMCC requests that any protest of these tariffs be emailed to the undersigned at [Tariff\\_Group@kindermorgan.com](mailto:Tariff_Group@kindermorgan.com)

Questions regarding this filing may be directed to the undersigned at (713) 420-4687.

Sincerely,

A handwritten signature in black ink that reads "Bruce Reed". The signature is written in a cursive, slightly stylized font.
