Oil Pipeline Filing
Products (SE) Pipe Line Corporation
July 15, 2025

Ms. Debbie-Anne Reese, Secretary
Federal Energy Regulatory Commission
888 First Street NE
Washington DC 20426

Dear Secretary Reese:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Products (SE) Pipe Line Corporation ("PPL"). PPL submits for filing the following tariff, to be effective August 15, 2025:

- FERC No. 154.21.0, Rules and Regulations Tariff (cancels FERC No. 154.20.0)

PPL is filing FERC No. 154.21.0 to revise its Customer Information Manual (CIM), with Sections 1 and 4 to be effective on August 15, 2025, as shown in FERC No. 154.21.0, Page 13, Note ①, and explained further below.

PPL is modifying Section 1 to update contact information and Section 4 to revise the current RVP schedule. In prior years PPL has lost line time due to unscheduled maintenance and unanticipated outages resulting in delays in scheduling cycles, which causes delays in products being delivered on time. Currently, cycle times for 2025 are on schedule, so the current RVP schedule is being revised to match the delivery of higher RVP starting in mid-September to avoid any possible operational issues for our customers.

Additionally, Note ① on page 13 of FERC No. 154.21.0 are instructions on how to locate the Customer Information Manual on PPL's website.

In accordance with 18 CFR § 343.3(a), PPL hereby requests that any protest of this filing be sent to PPL at the following email address: Tariff_Group@kindermorgan.com.

I hereby certify that a copy of this filing has been sent by means of transmission agreed upon by the subscriber, to all subscribers on the PPL's subscriber list.

If there are any questions regarding this filing, please contact me at (713) 420-4687.

Sincerely,

Bruce Reed
