Ms. Debbie-Anne Reese, Secretary  
Federal Energy Regulatory Commission  
888 First Street NE  
Washington DC 20426

Dear Secretary Reese:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Products (SE) Pipe Line Corporation (PPL) submits for filing the following tariff, effective February 1, 2026, on behalf of PPL and Marathon Pipe Line LLC:

- FERC No. 156.28.0, Joint and Volume Incentive Tariff with Marathon Pipe Line LLC (cancels FERC No. 156.27.0)

## Explanation of Tariff Filing

On December 17, 2025, PPL filed in Docket No. IS26-104-000 to establish a new Volume Incentive Program, Item 22 of the tariff, applying to specific locations on the Joint and Volume System Tariff if certain criteria are met. In this instant filing PPL is adding an additional destination, Richmond, Virginia (Chesterfield County) applicable for the new Volume Incentive Program. The contact person at Marathon Pipe Line LLC is Shelley Purser, Tariff Coordinator. Ms. Purser can be reached at (419) 421-4048 or at 539 South Main Street, Findlay, OH 45840.

PPL requests special permission to issue the Tariff on less than thirty days' notice under authority of 18 C.F.R. § 341.14 and § 341.2, so that the incentive rate reflected herein go into effect on February 1, 2026. PPL submits that good cause exists for granting this request that the joint rates reflect the additional destination applicable for the new Volume Incentive Program and provide Shippers the earliest possible date to use the new destination. PPL acknowledges that this tariff publication is conditionally accepted subject to refund pending a thirty-day review period.

Other than the changes described above and updating the fax number, PPL is not making any other proposed changes to the Tariff.

In accordance with 18 CFR § 343.3(a), PPL hereby requests that any protest of this filing be sent to PPL at the following email address: Tariff\_Group@kindermorgan.com.

I hereby certify that a copy of this filing has been sent by means of transmission agreed upon by the subscriber, to all subscribers on the PPL's subscriber list.

If there are any questions regarding this filing, please contact me at (713) 420-4687.
