Dear Secretary Bose:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), effective February 1, 2021, Plantation Pipe Line Company changed its name to Products (SE) Pipe Line Corporation ("PPL"). PPL submits for filing the following tariffs, effective March 14, 2021:

- FERC No. 154.16.0, Rules and Regulations Tariff (adopts FERC No. 154.15.0); and
- FERC No. 155.29.0, Local, Proportional, and Volume Incentive Tariff (adopts FERC No. 155.28.0) and
- FERC No. 156.19.0, Joint and Volume Incentive Tariff with Marathon Pipe Line LLC (adopts FERC 156.18.0) and
- FERC No. 159.3.0, Committed Rate Tariff (adopts FERC No. 159.2.0)

PPL in accordance with 18 C.F.R. § 341.6, is filing the FERC Tariff Nos. referenced above to adopt and bring forward to reflect the name change. The Adoption Tariffs contain the same rates, routings, rules and regulations as the pre-existing Plantation Pipe Line Company tariffs. The only tariff changes are to the carrier's name, numbering, and non-substantive wording. All rates in FERC Nos. 154.16.0, 155.29.0, 156.19.0, and 159.3.0 are unchanged from the prior tariffs.

PPL is modifying its Customer Information Manual, Policies 1 through 6 to reflect the name change along with some minor edits; outdated code and form references, contact names and telephone numbers. Additionally, Note ① on page 13 of FERC No. 154.16.0 are instructions on how to locate the Customer Information Manual on Plantation's website, as well as the revised effective date. The proposed version of the changes to the Customer Information Manual are included in this filing for easy reference.

In accordance with 18 CFR § 343.3(a), PPL hereby requests that any protest of this filing be sent to PPL at the following email address: Tariff_Group@kindermorgan.com.

I hereby certify that a copy of this filing has been sent by means of transmission agreed upon by the subscriber, to all subscribers on the Plantation subscriber list.
