Oil Pipeline Filing  
Products (SE) Pipe Line Corporation  
August 5, 2021

Ms. Kimberly D. Bose, Secretary  
Federal Energy Regulatory Commission  
888 First Street NE  
Washington DC 20426

Dear Secretary Bose:

In accordance with the requirements of the Interstate Commerce Act and the Rules and Regulations of the Federal Energy Regulatory Commission ("FERC"), Products (SE) Pipe Line Corporation ("PPL"). PPL submits for filing the following tariff, effective September 5, 2021:

- FERC No. 154.17.0, Rules and Regulations Tariff (cancels FERC No. 154.16.0)

PPL is filing FERC No. 154.17.0 in order to revise its Customer Information Manual (CIM), Sections 3 and 4 effective September 6, 2021, as shown in FERC No. 154.17.0, Page 14, Note ①, and explained further below. All rates in FERC No. 154.17.0 are unchanged from the prior tariff.

PPL is modifying Sections 3 and 4 of its CIM to reflect the additional impact of EPA's regulatory streamlining efforts that initially went into effect on January 1, 2021. In response to the EPA streamlining PPL has modified its Product Specifications that include adding a new product code. The RVP Calendar has been appropriately modified.

Additionally, Note ① on page 14 of FERC No. 154.17.0 are instructions on how to locate the Customer Information Manual on PPL's website, as well as the revised effective date. The proposed version of Section Sections 3 and 4, which is included in this filing for easy reference, of the Customer Information Manual will be on PPL's website under the heading "Proposed" until effective.

In accordance with 18 CFR § 343.3(a), PPL hereby requests that any protest of this filing be sent to PPL at the following email address: [Tariff\\_Group@kindermorgan.com](mailto:Tariff_Group@kindermorgan.com).

I hereby certify that a copy of this filing has been sent by means of transmission agreed upon by the subscriber, to all subscribers on the PPL's subscriber list.

If there are any questions regarding this filing, please contact me at (713) 420-4687.

Sincerely,

Bruce Reed
