Dear Ms. Martin

In accordance with the requirements of the Railroad Commission of Texas, Kinder Morgan Wink Pipeline LLC (KMWP) submits for filing the following tariff, effective July 1, 2026:

- Tariff No. 38, Local Rate Tariff applying on the intrastate gathering and transportation of crude petroleum (cancels Tariff No. 37).

All committed and uncommitted shipper rates in the above proposed tariff are increased from the prior tariff, and the committed shipper's transportation services agreement is based on the annual rate indexing methodology established by the Federal Energy Regulatory Commission ("FERC"). Therefore, Tariff No. 38 is being filed in order to increase all rates in this tariff, as shown in Items 300-330.

A copy of this filing has been sent to all subscribers on the KMWP subscriber list.

KMWP requests that any protest of this tariff filing be emailed to my attention at the following email address: Tariff_Group@kindermorgan.com

If you have any questions regarding this filing, please contact me at (713) 420-4687.

Sincerely,

A handwritten signature in black ink that reads 'Bruce Reed'.
